GLM 20
Professional

Laser Measure
GLM 40
Professional

Easy, compact, for professionals

01 One button for everything - intuitive and easy measuring

02 Compact - easily fits into any pocket

All relevant functions in a compact design

01 Distance measurement, area calculation, volume calculation – all intuitive to use

02 Illuminated, three-line display maximises readability

03 Memory function enables easy access to the last ten measurements

Laser Measure
GLM 50-22
Professional

New!

Robust design to withstand rough jobsites

01 **Robust Design to Withstand Rough Jobsites**
Reinforced housing for brutal applications + IP 65 protection.

02 **Increased Battery Runtime (vs. GLM 50 C)**
due to 2 x AA battery source + optimized hardware & software.

03 **Favourite Button for individual user preference:**
Customizable button for a shortcut to a specific measuring function or setting.

04 **Big Numbers Mode for fast and easy readability:** Large measurement result, fading out everything else on the display.

PROTECTED TOOLS Impact | Water | Dust   IP 65   FAVOURITE

Laser Measure
GLM 50-25 G
Professional

GREENLASER Technology

New!

Greater visibility for even faster and easier targeting

01 **Greater Visibility for Even Faster Targeting**
Green laser that can be seen better than red laser.

02 **Robust Design to Withstand Rough Jobsites**
Reinforced housing for brutal applications + IP 65 protection.

03 **Increased Battery Runtime (vs. GLM 50 C)**
due to 2 x AA battery source + optimized hardware & software.

04 **Vibration Feedback**
for successful and failed measurement. Great if display is out of sight, or on loud construction sites.

Measuring Wheel
GWM 32
Professional

The lightweight, handy measuring wheel

01 Ergonomic pistol grip and lightweight aluminium construction for ease of use

02 Telescopic shaft with continuously variable height adjustment for more flexibility and comfort

**03** Die-cast aluminium wheel with robust rubber tread for use on any surface

Other features

▸ Precise counter in impact-resistant plastic housing
▸ PTB certified

Technical data	1.4 kg
Order number: 0 601 074 …	
Material: **Aluminium**	
Wheel diameter (circumference): **318.5 mm (1 m)**	
Measurement accuracy **±1 dm/100 m**	
Max. measured value: **9999.9**	
Scope of supply	**…000**
Protective bag	✓

Digital Inclinometer
GIM 60
Professional

Precise digital inclonometer

01 Measures precise tilts in degrees, percent or millimetres/metres

02 Alignment arrows that help users adjust while levelling

03 Display automatically rotates for ease of use

Other features

▸ Audible signal at 0° and 90°
▸ Easy calibration function for sustained accuracy

Technical data	0.7 kg
Order number: 0 601 076 …	
Width: **27 mm**	
Height: **59 mm**	
Weight approx.: **0.7 kg**	
Length: **608 mm**	
Measurement range: **0 – 360° (4 x 90°)**	
Electronics measurement accuracy 0°/90°: **± 0.05°**	
Measurement accuracy, vials: **± 0.057° = ± 1 mm/m**	
Electronics measurement accuracy at 1°-89°: **± 0.2°**	
Scope of supply	**… 700**
4 x 1.2 V (AA) batteries	✓
Protective bag	✓

Angle Measurer
GAM 220 MF
Professional

Precise and esay angle measurement

01 Rapid calculation and transfer of angles by means of memory function for frequently used angle dimensions

02 Automatic calculation of single and double mitre angles without any other tools

Other features

▸ Optimum readability due to rotating, illuminated display

Technical data	1.2 kg
Order number: 0 601 076 ...	
Length: **446 mm**	
Width: **52 mm**	
Height: **60 mm**	
Measurement range: **0 – 220°**	
Measurement accuracy, angles: **± 0.1°**	
Measurement accuracy, vials: **± 0.05°**	
Power supply: **4x 1.5 V R6 (AAA)**	
Automatic deactivation facility, approx.: **30 mins**	
Weight, approx.: **1.2 kg**	
Arm length: **40 cm**	
Scope of supply	**... 600**

Line Laser
GLL 2
Professional

The compact cross line laser for professionals

01 Small, lightweight, always within reach

02 Easy handling due to single-button operation

03 For flexible use: with multifunctional mount for versatile fixing possibilities

Other features

▸ Horizontal, vertical and cross-line modes – project two lines independently or together for a wide array of level and/or alignment application
▸ Smart Pendulum System – self-levels and indicates out-of-level position
▸ Manual mode – locks the line and sets the level at any desired angle

Technical data	0.28 kg
Order number: 0 601 063 ...	
Power supply: **2 x 1.5 V LR6 (AA)**	
Working range up to: **10 m**	
Accuracy: **± 0.5 mm/m**	
Self-levelling range: **± 4°**	
Laser class **2**

Wallscanner
D-tect 200 C
Professional

New!

Simple and intuitive – the logical favourite for locating objects effectively

01	Automatic calibration avoids application errors for more reliable and confident work
02	Locate metal and live wire in various wall types as well as wooden substructures in drywall
03	Even more reliable detection of objects due to three-colour LED luminous ring

Best perfoming wallscanner for safe and correct execution of the work

| 01 | Bosch Radar Technology and groundbreaking operating system for precision, safety, and clear illustration of detected objects |
| 02 | Quick documentation guaranteed due to screenshot feature(download via USB/SD card slot) |

Other feature

▶ The D-tect 200 C offers four views (Object View, Spot View, Signal View and Signal View 2D) and three different measuring modes (object detection, leakage detection and distance measurement)

Technical data	0.27 kg
Order number: 0 601 081 ...	
Length: **200 mm**

Cordless Inspection Camera
GIC 120 C
## Professional

Efficient inspection and documentation of hard-to-reach areas

01 For optimum spacial orientation, the 'Up is Up'™ function rotates and simultaneously aligns the image on a large screen

02 Directly transfers images and videos via USB cable for quickly storing high-quality documentation of critical areas

03 Dual Power Source technology allows for use with a 12 V Li-ion battery or standard alkaline batteries

Other features

▸ Digital zoom for better recognition of details
▸ 120 cm long camera cable for better reaching of problem areas
▸ Bright LED for illuminating dark areas

Technical data	0.64kg
Order number: 0 601 241 ...	
Display size: **3.5"**
